Secretary to Government of Mysore,
Revenue Department, Bangalore

Sir,

Sanction of Government grant of Rs 5000/- to meet the acquisition charges proposed by the Municipal Council, Madhugiri

---

I have the honour to forward herewith a copy of the resolution of the Madhugiri Municipal Council passed at their meeting held on 11 4 48 requesting for a Government grant of Rs 5000/-, to enable them to acquire land and lay out an extension I recommend that the request of the Municipality may be considered favourably and a grant of Rs 5000/- sanctioned out of the Town Improvement Grants for 47-48

There is a keen demand for housing accommodation in this Town from poor and middle class people Formation of an extension in this Town is an urgent necessity Acquiring land for the purpose and laying out roads, drains and providing water and light will cost the Municipality a considerable amount As at present estimated by them, the proposal costs more than Rs 10,000/- But the financial resources of the Municipality are very slender They have got also other important schemes like water supply and drainage on hand Besides, sites have to be made available to the poor and middle class applicants at reasonable rates Therefore the Municipality is realy in need of financial help to take up this work which is rather of an urgent nature In these circumstances, I request you to move/

V President
Town Municipal Council,
Madhugiri

11/4/48 President

to move the Government to sanction a sum of Rs 5000/- to this Municipality for acquiring land and forming an extension
